The jacket in this outfit has a cropped back and is in a simple cotton fabric. The collar is in a shiny velvet with lining in houndstooth. The leggings are a mix with leather and the top is chiffon and jersey with geometric cuts.

Jacket is a mix of houndstooth and leather with gold zippers. The jeans have leather trims on the pockets and pockets. The shirt is a mix of chiffon and jersey with a geometric bodice and chiffon transparent views to the interior body.

Houndstooth shirt with leather trims on cuffs and center slit as well as front and back yokes in geo- shapes. It has gold snap buttons for closing. The pants are all leather made in paths with some stretch.

Full blazer with gold button trims and lining in houndstooth. The shorts are a dark jean with the same gold button and trims of leather on pockets in the repeating geo-shapes.

Houndstooth shorts with geo-shape trims in leather and a structured shirt made from a mix of leather and jersey. On the sleeves there is a special interior cuff made from leather.

This is a layered shirt with an interior tank that leaves some view to the interior skin. It is made solely of jersey knit. The shorts are dark jean and have leather accents trims and the same gold snap button at the front.

This is a uni suit made from leather, jersey and chiffon. It is a mixture of the geometric shapes and interior windows with the ciffon.

This is another uni suit with short sleeves and the shorts are made in the accent houndstooth fabric. It has the leather trims and chiffon windows at the sides.

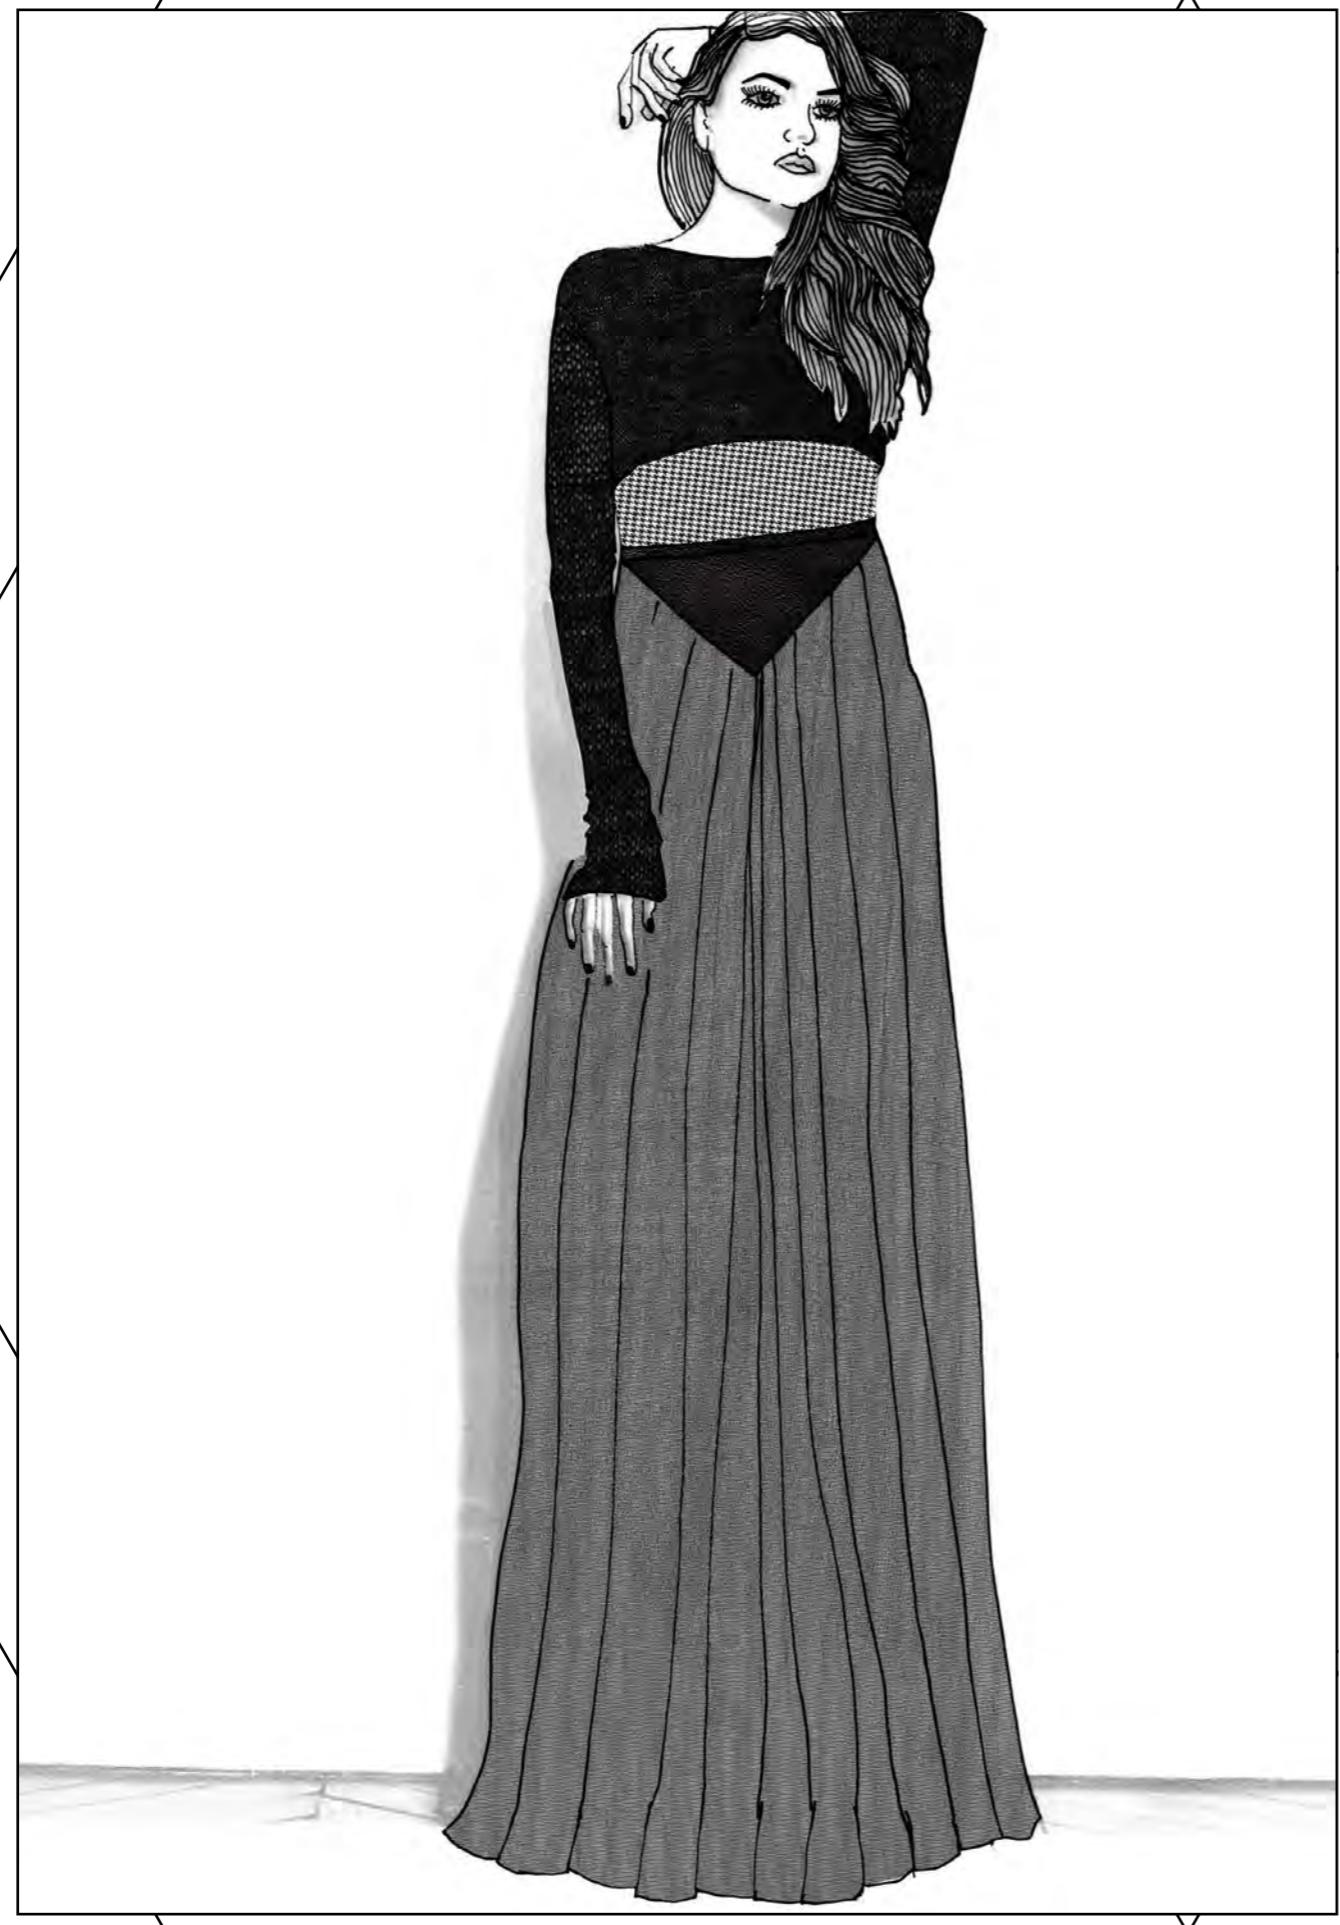

The shirt is made from jersey, with leather bodice. The front and back have the chiffon accent window. The skirt is a mix of leather, houndstooth, and chiffon. The houndstooth is placed below the chiffon skirt showing life inside the interior.

The shirt has the geometric shapes found in architecture. Is made from houndstooth, leather and jersey. The skirt is a large foam base for volume and structure with leather belt. Paired with sleeveless blazer.

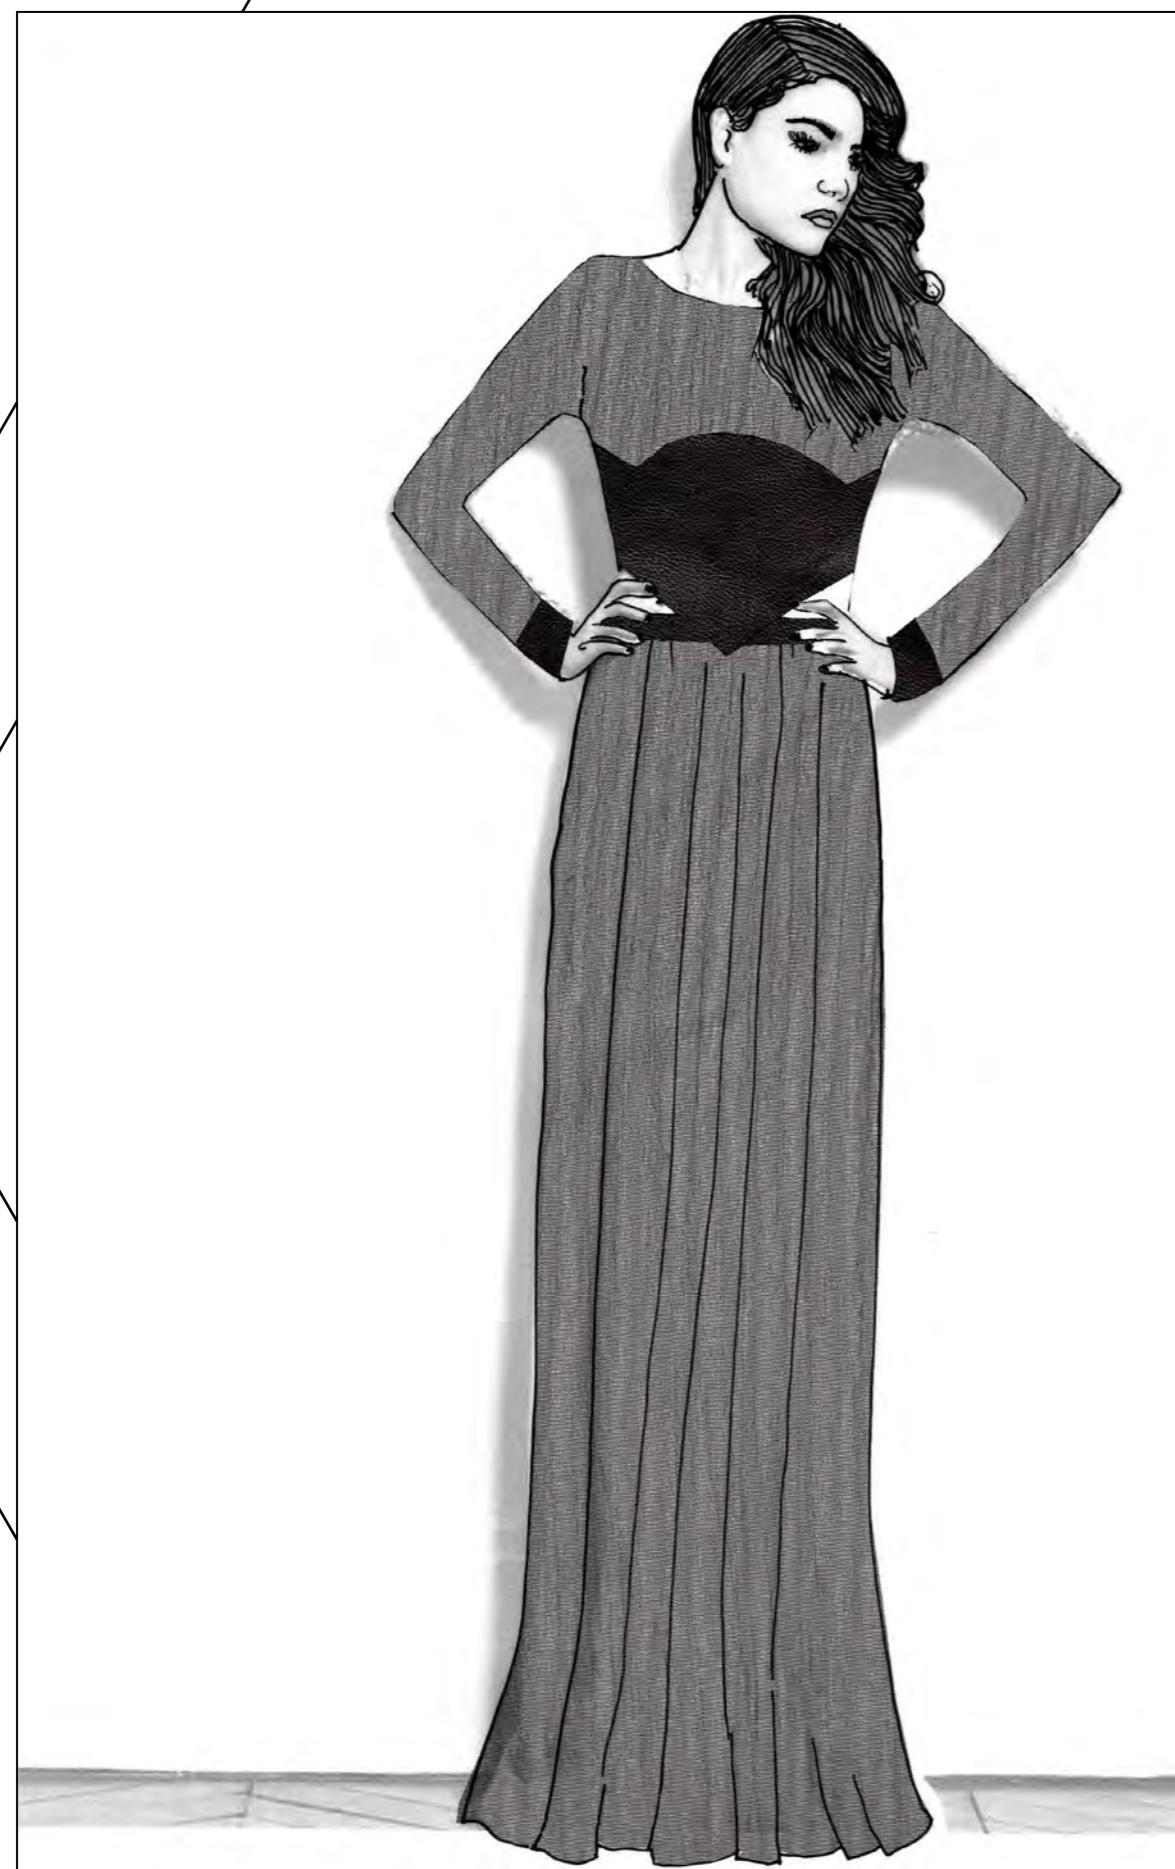

A sweater with the same layer idea. Top is in a thick jersey and the bottom tank in houndstooth pattern. This is paired with a maxi skirt made from chiffon and with a geometric leather belt.

This jersey shirt follows geometric shapes and has the little chiffon windows at the sides. The skirt is a long maxi with a side slit. It has mini houndstooth shorts with leather belt.

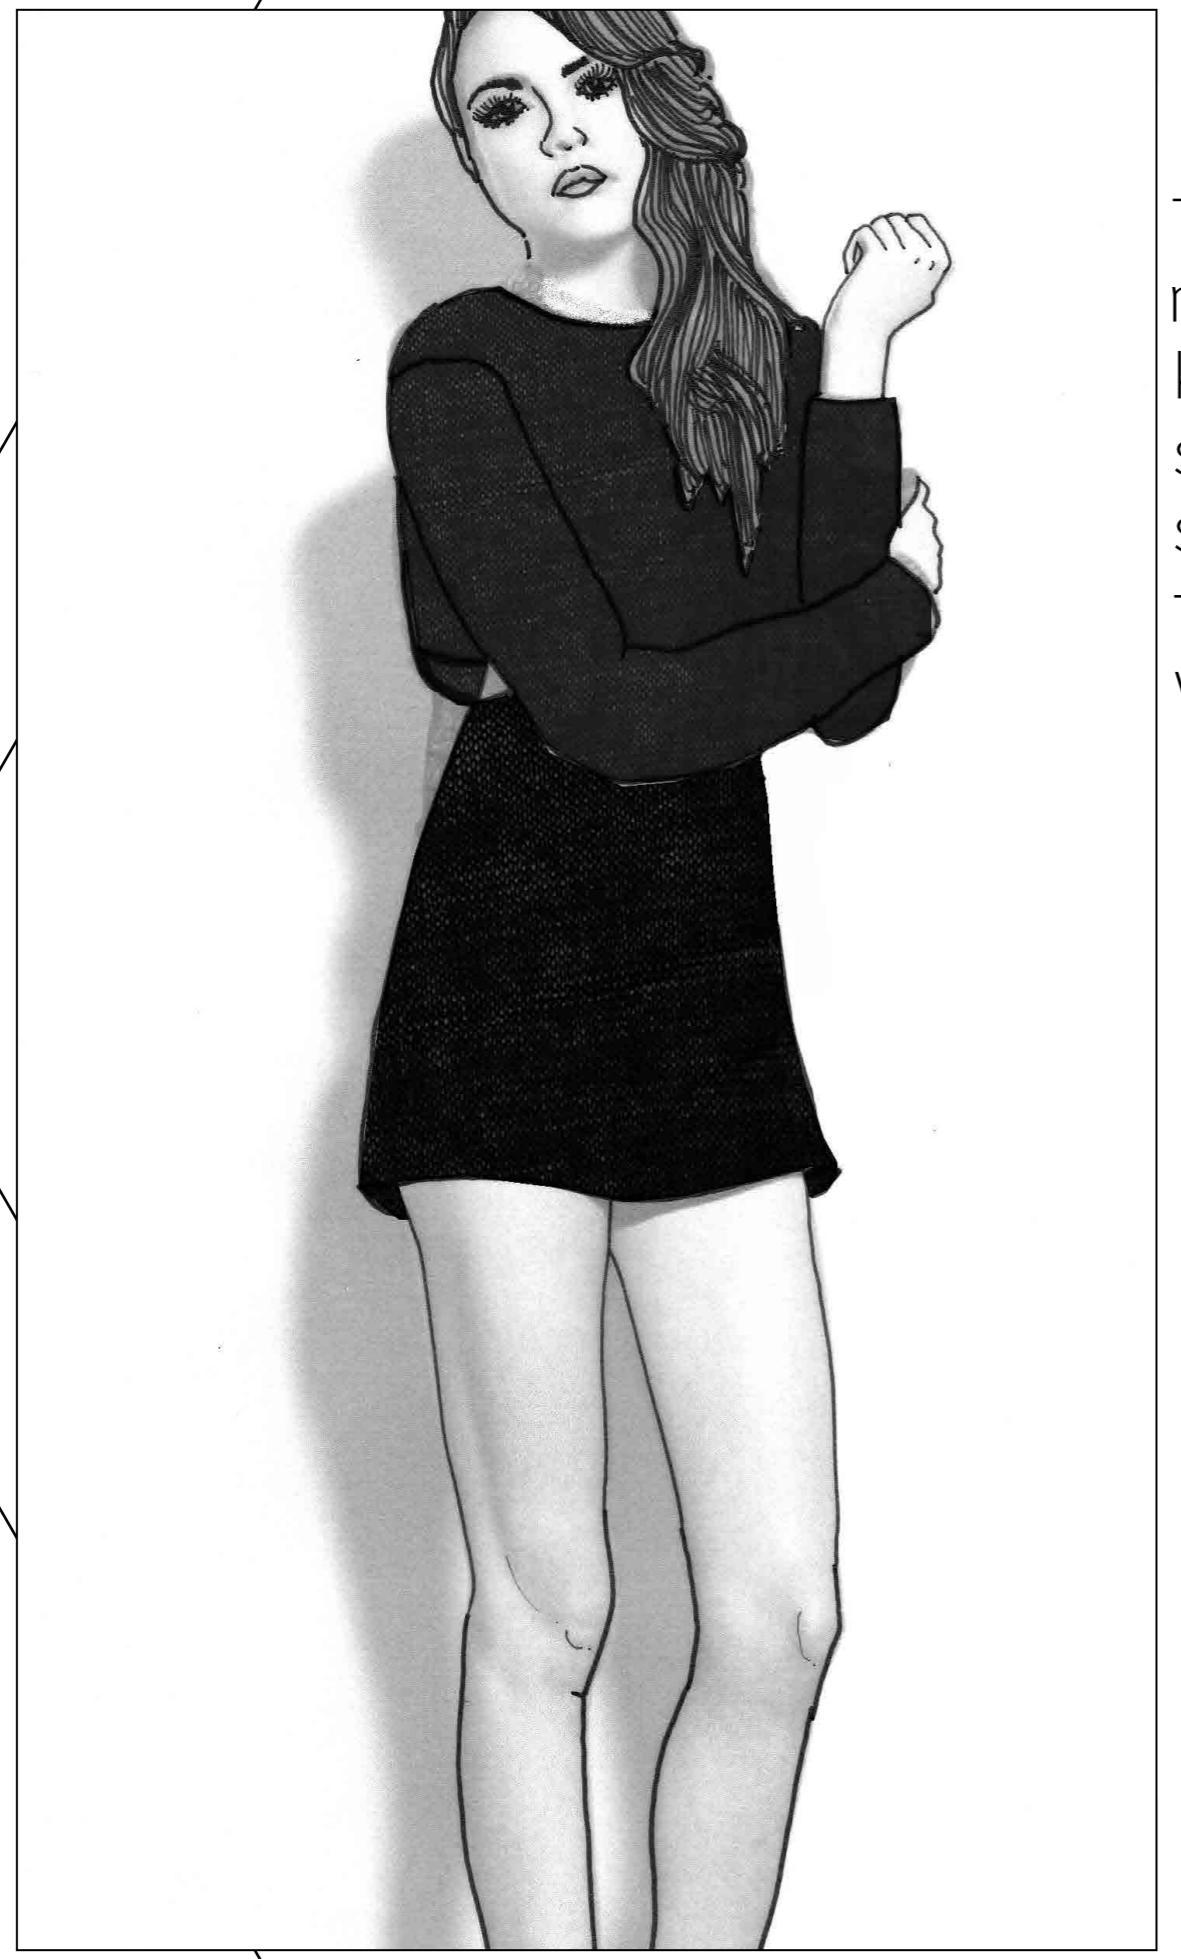

Maxi dress with geometric
shapes in leather bodice.
Chiffon top and skirt for
transparency.

This is a long maxi with long sleeves and the same gepmetric bodice in leather with windows at the side. Top and skirt in transparent chiffon.

This is a sweater dress made from the thick jersey knit that follows the same structure as the layer shirts. Has an interior tank that leaves a bit of view at the sides.

Knee length dress with leather and chiffon trims. Has cut outs at the sides as well as transparent top and back above the geometric leather bodice.

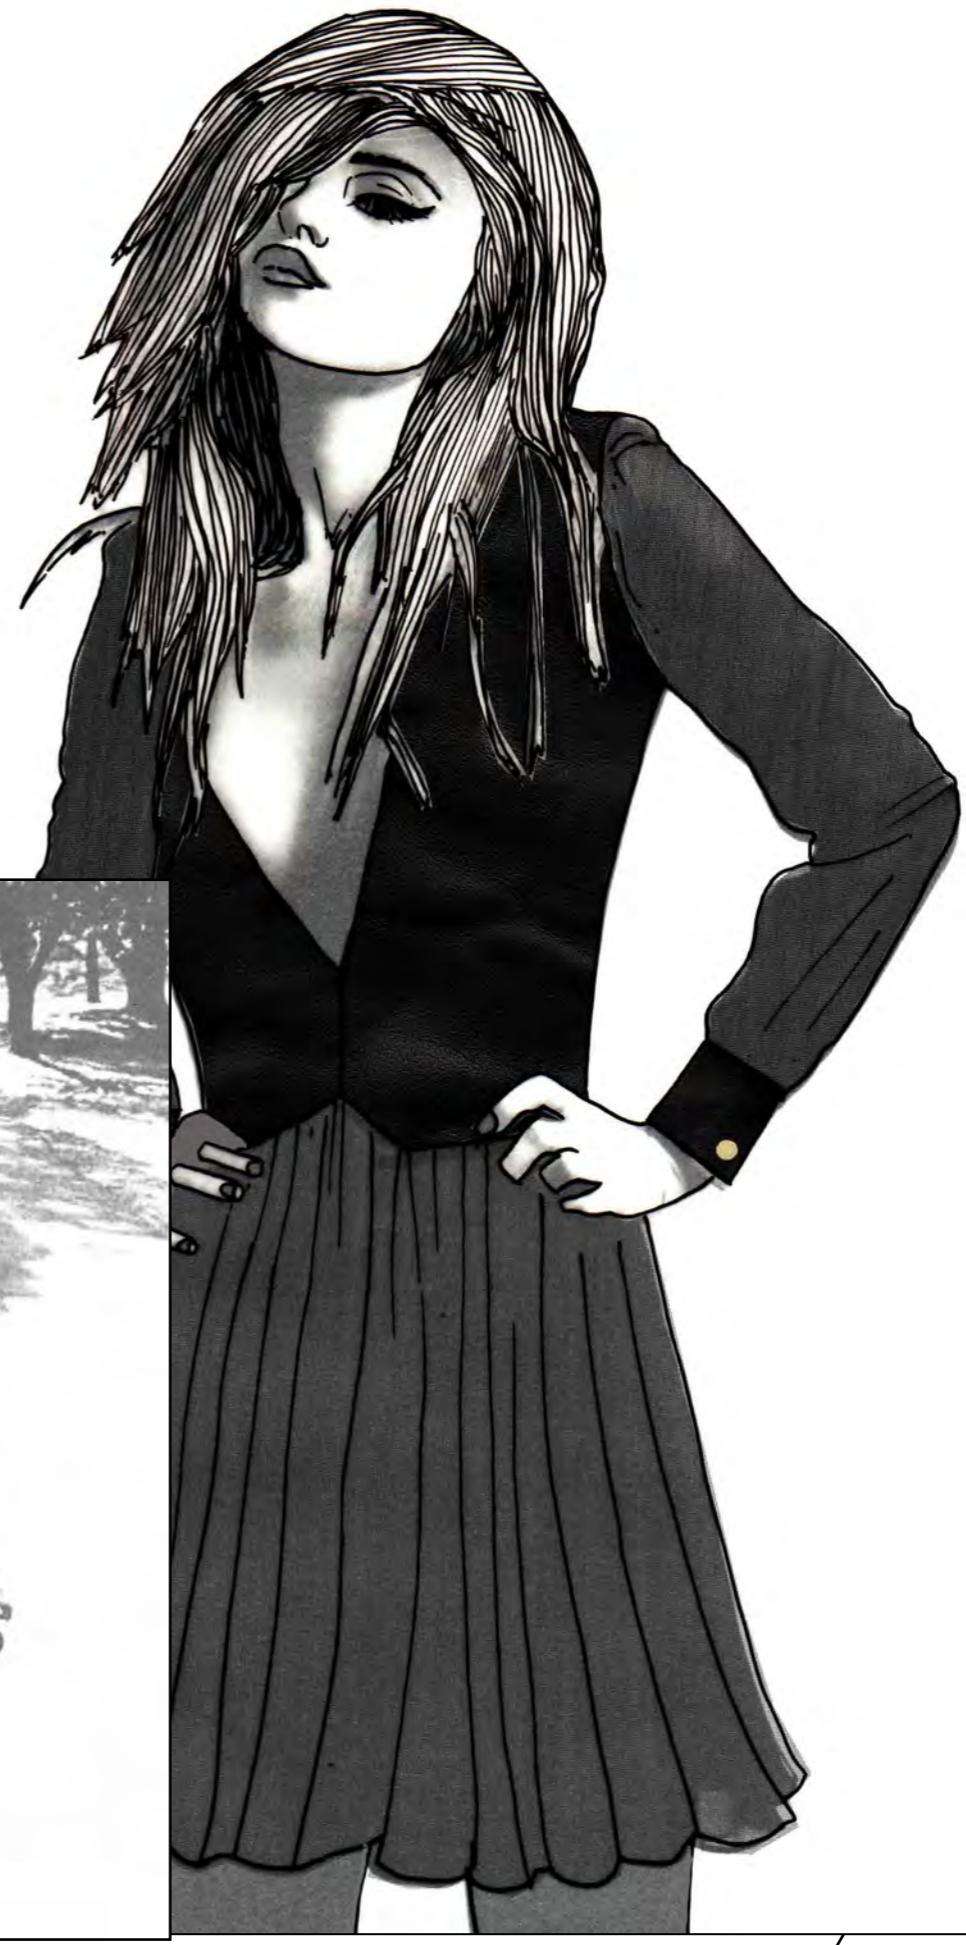

A structured top dress mix of the thicker chiffon and leather belt and sleeves. The leather sleeves are double layered with the cuffs underneath the main sleeve. Bodice has a larger cut at the sides.

Houndstooth mix dress with
leather trims and the sides
in geometric shapes. Same
chiffon base skirt.

Leather bodice dress with
low back cut out in
geo- shapes with chiffon
sleeves and gold snap
buttons on the leather
cuffs.
